Presents findings from the

Urban Aboriginal Peoples Study

Last year, members of Thunder Bay's Aboriginal community took part in the most in-depth survey of its' kind ever conducted in Canada. Hundreds were interviewed about life in the city, values, community relations, aspirations, and identity. Join us for an afternoon about what you told us, what we heard.

Sharing what we heard... Sharing what you told us...

Wednesday, May 25, 2011

11:30am – 2:00pm

Ka-Ni-Chi-Hih

1700 Dease Street

Everyone welcome to attend.
